RE: LEONG, Randy
Docket No: 2:09CR00015-010
REQUEST FOR RELEASE FROM
RESIDENTIAL REENTRY CENTER
(RRC) PLACEMENT

Dear Judge Shea:

Randy Leong began his placement at the residential reentry center (RRC) on December 9, 2010. Mr. Leong has consistently followed all of the rules and requirements of the RRC facility. As a condition of supervised release at the time of sentencing, the Court sentenced Mr. Leong to 180 days at the RRC with a review at 90 days for early release.

A status report was submitted on March 2, 2011, indicating that Mr. Leong is currently working full-time and has completed several classes while at the RRC. He has been allowed to attend religious services and has earned the privilege of participating in a fitness program. All of his breathalyzer tests and random weekly urinalysis tests have been negative. Mr. Leong plans to return to live with his mother.

The undersigned probation officer respectfully recommends that Mr. Leong be released from the RRC program with all other conditions of supervised release to remain in effect. Should the Court require a different course of action or require a court appearance by Mr. Leong, please let me know.
